INTRODUCING THE ANNALS OF THE ORGONE INSTITUTE

At a time when scientific work is still in full development, changes in the work may necessitate changes in the mode of publication. The establishment of the ANNALS OF THE ORGONE INSTITUTE corresponds to such a necessity. The ANNALS continue the functions of the INTERNATIONAL JOURNAL OF SEX-ECONOMY AND ORGONE RESEARCH published from 1942 to 1945. Among the factors which necessitated the change are the following:

In the JOURNAL, the emphasis was on *sex-economy*, with *orgone* research appearing as a developmental product of *sex-economy*. This no longer is in keeping with the facts. Today, *orgone biophysics* is leading; it determines thinking and working also in the field of *sex-economy*. The accent shifted more and more from psychiatry to natural science, to biology and physics. Our attitude toward early upbringing, also, is determined predominantly by our *orgone-biophysical* insights into the child as a living organism. With that, the *sexological* and *psychological* functions do not lose any of their significance; they are, however, put in a wider framework and on a deeper basis, that of biology.

The JOURNAL having been published in yearly volumes, we were held to certain deadlines; increasing paper shortage and other conditions in the printing business made it increasingly difficult to meet these. We also had to adhere to a certain number of pages. These mechanical requirements restricted our freedom of mobility. For this reason, the ANNALS will not be published in yearly volumes, but in single numbers, appearing at irregular intervals and of irregular volume. The resulting flexibility in the mode of publication corresponds better with our functional way of thinking and working than the rigid form of a Journal.

The ANNALS represent the organ of the Orgone Institute. However, as before, each individual author is alone responsible for the contents of his publication.

Projeto Arte Org Redescobrimo e reinterpretando W. Reich

Caro Leitor

Infelizmente, no que se refere a orgonomia, seguir os passos de Wilhelm Reich e de sua equipe de investigadores é uma questão bastante difícil, polêmica e contraditória, cheia de diferentes interpretações que mais confundem do que ajudam.

Por isto, nós decidimos trabalhar com o material bibliográfico presente nos microfilmes (Wilhelm Reich Collected Works Microfilms) em forma de PDF, disponibilizados por Eva Reich que já se encontra circulado pela internet, e que abarca o desenvolvimento da orgonomia de 1941 a 1957.

Dividimos este “material” de acordo com as revistas publicadas pelo instituto de orgonomia do qual o Reich era o diretor.

01- International Journal of Sex Economy and Orgone Research (1942-1945).

02- Orgone Energy Bulletin (1949-1953)

03- CORE Cosmic Orgone Engineering (1954-1956)

E logo dividimos estas revistas de acordo com seus artigos, apresentando-os de forma separada (em PDF), o que facilita a organizá-los por assunto ou temas.

Assim, cada qual pode seguir o rumo de suas leituras de acordo com os temas de seu interesse.

Todo o material estará disponível em inglês na nuvem e poderá ser acessado a partir de nossas páginas Web.

Sendo que nosso intuito aqui é simplesmente divulgar a orgonomia, e as questões que a ela se refere, de acordo com o próprio Reich e seus colaboradores diretos relativos e restritos ao tempo e momento do próprio Reich.

Quanto ao caminho e as postulações de cada um destes colaboradores depois da morte de Reich, já é uma questão que extrapola nossas possibilidades e nossos interesses. Sendo que aqui somente podemos ser responsáveis por nós mesmos e com muitas restrições.

Alguns destes artigos, de acordo com nossas possibilidades e interesse, já estamos traduzindo.

Não somos tradutores especializados e, portanto, pedimos a sua compreensão para possíveis erros que venham a encontrar.
