Dear former member:

It would be most appreciated if you would be kind enough to take time to read this note and then be good enough to respond. An envelope is enclosed and needs no return address. We will not know who responds, so, do be as candid as you like.

I have been with NHF for 8 years now. I have done my best, but I can always do better with the help of others. This is why I am contacting you. You were a member before and you chose not to renew your membership. It would help me a great deal to know why. Would you be kind enough to write a reply on the reverse of this letter and indicate why you did not renew? If we are not doing our job well or you are displeased for some reason I sincerely want to know. Only 150 people in America are getting this letter, so, your reply is most important. Please do respond.

-----

Let me add, while writing, that we are doing quite well. All our bills are now paid. We are doing well on the vitamin bill and vitamin hearings in Washington and know we will stop the FDA from restricting sale of supplements. We are doing well with our bill to stop the Post Office from seizing and banning books on health. We helped get 15 bills passed this year already on pollution and we are working on getting Laetrile (the cancer drug) licensed for a fair test and for national use. We have been instrumental in having fluoridation defeated in several elections this year, also.

Perhaps you do not think you are important to the NHF family. Every member is. An informed public is a healthier one and one that can act intelligently on a matter if they so desire. It helps us help you and all Americans if you stay with us as a member. There are no obligations and there are many benefits. We now have a number of new reprints that we sell members at cost. The Bulletin - which is now edited by a new man - is excellent and worth the dues in itself. Of course we would like to have you rejoin us. If you would like to do so, please simply clip \$5.00 in the enclosed envelope and put a BIG "X" on the back cover. If you do, I will send you a copy of the most exciting new book on the market - THE DICTOCRATS - at no cost and your dues will be paid through July 31, 1971. Please, carefully consider the offer. We sincerely would like to have you back on our membership rolls.

Very truly yours,

## **Projeto Arte Org Redescobrimo e reinterpretando W. Reich**

Caro Leitor

Infelizmente, no que se refere a orgonomia, seguir os passos de Wilhelm Reich e de sua equipe de investigadores é uma questão bastante difícil, polêmica e contraditória, cheia de diferentes interpretações que mais confundem do que ajudam.

Por isto, nós decidimos trabalhar com o material bibliográfico presente nos microfimes (Wilhelm Reich Collected Works Microfilms) em forma de PDF, disponibilizados por Eva Reich que já se encontra circulado pela internet, e que abarca o desenvolvimento da orgonomia de 1941 a 1957.

Dividimos este “material” de acordo com as revistas publicadas pelo instituto de orgonomia do qual o Reich era o diretor.

01- International Journal of Sex Economy and Orgone Research (1942-1945).

02- Orgone Energy Bulletin (1949-1953)

03- CORE Cosmic Orgone Engineering (1954-1956)

E logo dividimos estas revistas de acordo com seus artigos, apresentando-os de forma separada (em PDF), o que facilita a organizá-los por assunto ou temas.

Assim, cada qual pode seguir o rumo de suas leituras de acordo com os temas de seu interesse.

Todo o material estará disponível em inglês na nuvem e poderá ser acessado a partir de nossas páginas Web.

Sendo que nosso intuito aqui é simplesmente divulgar a orgonomia, e as questões que a ela se refere, de acordo com o próprio Reich e seus colaboradores diretos relativos e restritos ao tempo e momento do próprio Reich.

Quanto ao caminho e as postulações de cada um destes colaboradores depois da morte de Reich, já é uma questão que extrapola nossas possibilidades e nossos interesses. Sendo que aqui somente podemos ser responsáveis por nós mesmos e com muitas restrições.

Alguns destes artigos, de acordo com nossas possibilidades e interesse, já estamos traduzindo.

Não somos tradutores especializados e, portanto, pedimos a sua compreensão para possíveis erros que venham a encontrar.
